**YOUR INDEPENDENT
CLEAN BREXIT CANDIDATE
FOR BOURNEMOUTH EAST**

1

IT UNDERMINES OUR NEGOTIATING HAND

The revised Irish Protocol means we must erect a border within the UK if talks break down and we wish to diverge from the EU.

2

IT IS EXTENDABLE

The transition period may be extended until 2022. And the Withdrawal Agreement can be modified to extend beyond this.

3

IT DELIVERS TAXATION AND LEGISLATION WITHOUT REPRESENTATION

During transition EU payments and supremacy of law continue, but without representation.

4

IT'S EXPENSIVE AND RISKY

Boris' deal commits us to paying the remainder of the £39 billion, and forfeits a £7bn European Investment Bank windfall.
